

親愛的顧客，

基於衛生與床褥結構考量，專家建議每8-10年更換一次床褥。在此更新床褥品質保證至10年品質保證，以更符合床褥的最佳使用期。

希望每位顧客都擁有健康舒適的睡眠環境！新的床褥品質保證將於2022年1月1日開始生效！

Dear customers,

Advisable to replace your mattress every 8 to 10 years for hygiene and product structure consideration, and we're so confident ours will last that long. Therefore, we decided to update our mattress guarantee to 10-year Guarantee to align with the best quality for usage.

We wish every customer could enjoy healthy and comfortable sleep every night.

The new mattress guarantee will be effective from 1st January 2022.
